The Indian constitution, in 1950, declared Hindi in Devanagari script to be the official language of the union. Unless Parliament decided otherwise, the use of English for official purposes was to cease 15 years after the constitution came into effect, i.e., on 26 January 1965.

Languages with official status in India - Wikipedia

The metric system was developed during the French Revolution to replace the various measures previously used in France. The metre (sometimes spelled "meter" in American English) is the unit of length in the metric system and was originally based on the dimensions of the earth, as far as it could be measured at the time.

Introduction to the metric system - Wikipedia

We design our courses to challenge and inspire you. You will discover the possibilities that new communication technologies make available. Our research is recognised for its exceptional quality and international reputation. We are supported by RCUK, EU and industry funding. Our work blends
