Minor Martin White (July 9, 1908 – June 24, 1976) was an American photographer, theoretician, critic and educator. He combined an intense interest in how people viewed and understood photographs with a personal vision that was guided by a variety of spiritual and intellectual philosophies.

### **Minor White - Wikipedia**

Minor White was born over 100 years ago, just after the turn of the 20th century, and yet his influence on photography continues to this day. In his perspective one does not photograph something simply for "what it is", but "for what else it is".
