5 Great Monologues in Literature - Page 2 of 6 - LitStack

A monologue is a speech given by a single character in a story. In drama, it is the vocalization of a character's thoughts; in literature, the verbalization. It is traditionally a device used in theater—a speech to be given on stage—but nowadays, its use extends to film and television.

Monologue - Literary Terms

Definition, Usage and a list of Monologue Examples in common speech and literature. Monologue is the speech or verbal presentation that a single character presents in order to express her collection of thoughts and ideas aloud.
