PART B TORT IN CONSTRUCTION PART A: NEGLIGENCE AND

The tort of negligence is concerned with a breach of a duty to take care. In order to succeed in an action for negligence, a plaintiff must prove: The defendant owed to the plaintiff a legal duty of care, and, The defendant was in breach of duty, and, The plaintiff has suffered damage as a result of that breach.

Professional negligence in construction contracts

The tort of negligence is not concerned with a breach of a contract, but with wrongful acts. In fact, there need not be a formal contract at all, as long as it can be shown that one person owed a duty of care to another and that the duty of care has been breached. There are four basic requirements to establishing an action in negligence, namely that:
